

## **Frisco H.I.S. Field Trip Guidelines**

**Parents:** Please go over the following guidelines with your children before participating in any field trips. Remember that your family is representing Frisco H.I.S. We want to leave an excellent impression wherever we go.

### **Students**

- Be courteous and polite at all times.
- Respect others who are on the trip with you.
- Absolutely no teasing or name calling other children even if you have no ill-intentions.
- Stay with your parent or designated adult.
- Obey your parents/field trip guide at all times.
- Listen carefully to any instructors and instructions on the trip.
- Touch only when permitted.
- Be patient & wait your turn.
- Be thankful to those who helped on the field trip. Always say "thank you" to the person who led your tour.

### **Parents**

- Discuss and rehearse good behavior for the trip you are taking. Don't presume that children know not to speak loudly or whisper during a concert or play, or not touch priceless artwork, etc..
- Explain rules in advance and read any signs you find at the site you are visiting. Decide ahead of time on appropriate penalties for rule violations.
- Please make sure your family is neat in appearance.(modest & clean clothes, clean hair, etc..)
- Be prompt. Arrive at least 15 min. early at field trip destination or designated meeting place.
- Watch your own children. Please be considerate of other people at all times. If you have a baby, toddler, or preschooler, please be mindful of the child's noise level at all times. If the child is causing a disturbance, please remove the child to an appropriate area. Arrange with another adult to watch your child if you must attend to the needs of another child.
- Clean up areas that were used by your group.
- Follow-up with a thank you note or handmade token of gratitude.

If at any time leadership believes that a failure to abide by these guidelines is causing a disturbance, the offending party will be asked to leave.
