

# Frisco HIS High School Teen Behavior Contract

## *Welcome to the Frisco HIS High School Group!*

Let's go over a few FHIS High School Group Rules:

1. Wear appropriate clothes! We are here to have FUN so dress comfortably while being respectful of those around you. Questions about what's inappropriate? Feel free to ask a FHIS leader or err on the side of caution and pick a different outfit.

**I acknowledge that if my clothing is inappropriate, I will not be able to participate in the scheduled group activity or outing.**

2. No drugs, alcohol, and weapons of any kind.
3. Sign in, stay on site, and sign out. Be respectful of the time. Please try to arrive on time and don't forget to sign in. Remain in the venue during the event. Help clean up and sign out before you leave so we know you are leaving.
4. Use appropriate language during ALL events.
5. Leave phones and other technology in pockets or purses. Technology is discouraged as it inhibits good interactions. After all, the whole purpose of the group is to hang out with friends not your phone. Please give respectful attention and courtesy to others by limiting the use of electronic devices and not sharing offensive or indecent music, videos, or images.

**I agree to limit use of phone at events and I will not use electronic devices to share inappropriate media with other teens at events.**

6. Leave the house, restaurant, or venue cleaner than when you first arrived. Please be respectful other guests wherever we are at and clean up after yourself.
7. Cancellations for Events: Because our events are in high demand, in the event you need to cancel, please do so as early as possible to allow others to be able to take your open spot. If you are a no-show, your name will be flagged for future RSVPs. After 3 no-shows, you will not be able to RSVP for future High School events.

**I acknowledge that my name will be flagged for no shows. After 3 no-shows, I will not be allowed to reserve a place at upcoming events or activities. I will not show up to events that I have not RSVP'd for.**
